Completing the application form

Your application may be hand written or typed in black ink. Applications will only be accepted on the attached form. If you need more space, please enclose an extra sheet marked with your name. Please do not send other information as an alternative to completing the form. ABCUL does not accept CVs.

Please read carefully the job description and the person specification before you start filling in the form. Your selection for interview depends entirely upon the information you provide. Use the application form to demonstrate to us that you have all of the essential criteria of the person specification. We will select applicants who give us examples from their own experience that clearly evidence that these criteria have been met.
