

## Want to Build a Better Future?

Two challenging and exciting opportunities have arisen within the Association of British Credit Unions Limited. ABCUL is the main trade association for credit unions in Britain. We provide a wide range of services to credit unions to support their delivery of ethical, low cost financial services such as savings, loans and insurances to local communities throughout Britain. ABCUL is reshaping the service it provides to meet these new demands.

Salary: up to £32,700 + 6% pension contribution

Location: Manchester City Centre - Head Office

Hours: Full Time (35hrs)

### **Project Operations Manager (ref no 0101)**

Providing a consultancy service you will be responsible for mapping business processes to aid Credit Unions in the management of their business activities. You will have strong project management disciplines, a proven track record in delivering projects on time and budget and the ability to see initiatives through to delivery. You will have the confidence to negotiate effectively with third party suppliers, influence board members and demonstrate strong communication skills, converting detailed technical information in to accessible reports and presentations to project stakeholders.

Travel within the U.K will be required for this role.

### **Technical Services Manager (ref no 0102)**

Reporting directly into the CEO, you will work with a high degree of autonomy, with responsibility for identifying and managing a range of technical services to suit our member's needs, including regulatory and legal compliance, credit union operations and governance. You will be able to manage and motivate a small team, communicate complex, technical data clearly and develop business plans and budgets to deliver an effective technical service to our members. Technical knowledge of the legal and regulatory framework and operation systems of either Credit Unions or the wider financial services sector is essential.

Closing date: **5pm on Friday 4 December 2009**
